We held the amazing Pack 12 **Derby Car Racing Event** on April 4, 2021 at Wills Park. We had more than 28 participating Derby Cars of various designs. After many tense moments and a lot of loud cheering, the car that was made by Wolf Ibrahim came into first place. It is not too early to plan for next year's race.

We had our **Spring Campout** in April 2021 and it was as fun as it could have been. Of course it was rainy and some of the scouts had their tents flooded, but **everyday is a great day for scouting.**

The Cub Scouts participated in a Food Drive for the Needy. The Cub Scouts packaged the items and handed the boxes with help from Troops 12 to the needy families. **The Scout is KIND!**
