September 2021
Scouts Are Thriving.

On **August 15, 2021**, we held our first **Pack Meeting** for the new School Year and we also had an **Open House** for our recruiting efforts. It was a **success**! We received great help from **TROOPS 12** who planned and organized

a number of **games** for the **Cub Scouts** to learn about outdoors, teamwork, and agility. Of course, we enjoyed a variety of nice **ice cream** afterwards! We did all that while keeping **safety** a top priority. We have about **10** new cub Scouts! **Welcome Welcome Welcome!**

Our Dens had their meetings on
August 22,
2021 and they
were very very very
busy!
